

BALL STATE UNIVERSITY'S 2025-26 IMPACT THROUGH HEART OF INDIANA UNITED WAY

Heart of Indiana
UNITED WAY

BALL STATE
UNIVERSITY

FROM INVESTMENT TO LASTING IMPACT

Last year, 110,202 community members received support through Heart of Indiana United Way programs and funded partners. Ball State University's support helped make that impact possible by investing in healthier families, stronger communities, and brighter futures across our region.

YOUR IMPACT AT A GLANCE

More than
\$125,000
in Employee &
Retiree Giving

572

628
Volunteer hours

\$19,499
Volunteer time value

That's thousands of neighbors supported by Ball State employees and retirees across Delaware County and beyond.

WHAT YOU MADE POSSIBLE LAST YEAR

Early Learning & Literacy

More children entered school ready to learn and stayed on track through early learning and reading support.

Financial Stability (THRIVE Network)

More families built long-term financial stability and reduced debt through coaching and support.

Community Resiliency

More families found stability through access to housing, healthcare, food, utility assistance and other essential needs.

Non-Profit Support

Funding and collaboration helped local nonprofit partners meet more community needs of families and children.

Thank You, Ball State Employees and Retirees!

Your support reached far beyond a single program or service. Last year, **1 in 3 people across our five-county region received support through Heart of Indiana United Way programs and funded partners.** Your generosity helped children and families build stronger futures together, creating an impact that will continue for generations to come.
